2. This Financial Year

- Donations will be made to:
 - Toller Church
 - Recreation Ground (increased to help meet insurance and mowing costs)
 - Village Association

3. Looking forward...

- Money in the budget for painting the noticeboard
- No grants received from WDDC now
- Money remains earmarked in budget for possible website improvements which might be necessary under the new Transparency Code and Audit regime which obliges smaller councils to publish more information
- Impact of financial cuts to larger authorities will put pressure on Parish Councils to do more so the Parish Council is accruing a small reserve to meet this.
- Planned works to more fingerposts are in the pipeline.
