

Toller Porcorum Parish Council

Finance Report – May 2017

1. Last Financial Year

- Precept raised at £5500
- Donations made to:
 - Toller Church
 - Recreation Ground
 - Village Association
- End of year balance £9189.55

2. Next Financial Year

- Precept remains at £5500
- Donations will be made to:
 - Toller Church
 - Recreation Ground (increased to help meet insurance and mowing costs)
 - Village Association

3. Looking forward...

- Money in the budget for painting the noticeboard
- Further reductions in grants passed on by WDDC, likely to be removed completely by 2019
- Money put aside for possible website improvements which might be necessary under the new Transparency Code, which obliges smaller councils to publish more information
- Impact of financial cuts to larger authorities will put pressure on Parish Councils to do more so the Parish Council is accruing a small reserve to meet this.

4. Any Questions?

Please ask and I will do my best to answer them or get a written response to you.
