24/05-15. Planning - to consider any planning applications in circulation and any other planning matters

P/VOC/2024/01700 – Sewage works Toller Lane construction of temporary new access (with variation of condition 6 of planning permission. P/FUL/2023/06834 - to amend biodiversity mitigation timescale. Confirm no objection.

P/Hou/2024/02008 – The Old Swan DT2 ODH. Erection of three bay replacement garage/workshop. Confirm no objection.

No new applications to consider.

24/05-16. Highways - to consider any highway matters

i. Flood Gauge – Toller Lane

Request at APA in April for depth gauge due to residents getting stuck when driving through. Council previously investigated a gauge but they are not used by Dorset Council Highways because of inaccuracy. Advice to residents is if the curbs cannot be seen it is too deep and an attempt to drive through should not be made.

No action to be taken.

ii. Flooding on Toller Lane update

Various meetings have been held with Environment Agency and Dorset Council following written support from Chris Loder MP. Issue remains with Watery Lane bridge abutment collapsing; landowner informed by Council and has stated someone will investigate. As there is no danger or risk to property Environment Agency are unwilling to step in.

iii. Powerstock Bridge update

National Highways, responsible for bridges across the country, including old railway bridges, gave a presentation to Parish Council at meeting held 10 January 2024. National Highways recommended the bridge be taken down and the road level be raised to prevent flooding. Parish Council voted to agree with the recommendation at the January meeting.

National Highways' recommendation requires ministerial approval and in identified cracks are being monitored.

iv. Grass height at Toller Lane turning on to A356

Turning has become very dangerous due to grass height. All Councillors encouraged to report issue on Dorset Council website.

ACTION: HJ to report.

TOLLER PORCORUM PARISH COUNCIL

Chair Neil Farmer

Clerk Clare Smith

- 24/05-17. Environment - to consider environment issues including Rights of Way/Footpaths matters**
- i. Steps on footpath near Kingcombe Road, near Northover Farm**
Request at APA in April for steps on footpath due to slope becoming dangerously slippery because of mud. Parish Council made an enquiry to Dorset Council on Monday 22 April and steps were complete by Wednesday 24 April.
 - ii. Trailway to Maiden Newton update**
George Sartin is keen to see the trailway open all the way to Maiden Newton. George already owns some parts of the trailway and is prepared to buy more land parcels. Walk and talk meeting to be arranged with representatives from Dorset Council, Maiden Newton PC, George Sartin, NF and CW to discuss next steps.
ACTION: NF to arrange walk and talk.
- 24/05-18. Budget**
It was not made clear that an election for Parish Council would come at a cost to Council itself. As a result, there has been no accommodation made in the budget for election costs. Amount due is unknown at this time and, if considered reasonable, will not be challenged and will be paid from reserve funds.
- 24/05-19. To review Action Plan and consider specific works for 2024-25 as detailed in Action Plan**
Councillors reviewed and approved Action Plan and noted difficulty in signing Armed Forces Covenant and ICO data subscription due in June.
- 24/05-20. Support for new Councillors**
NF asked that all Councillors go on new councillor training and other training modules recommended in the Induction Pack.
ACTION: Clerk to send link to DAPTC training courses for new councillors.
ACTION: All Councillors to inform Clerk of sessions they would like to attend.
- 24/05-21. To receive any correspondence received for noting.**
- i. Verbal request via telephone for memorial bench on trailway**
An ex-resident has made the request. A bench would need landowner permission and Council would be responsible for costs, adding bench to Risk and Asset Registers and responsible for upkeep and repairs. NF sought advice of George Sartin who suggests a plaque on Les' Shelter on trailway. Council agrees this is a good compromise. No further action required at this time.
 - ii. Bus shelter and grit bin request**
Powerstock and North Poorton Parish Council have requested a bus shelter at the junction of Higher Kingcombe Road and Common Road and a grit bin on Common Road. Both locations are within the parish boundary of Toller Porcorum. Parish Council has already declined to support the installation of a Bus Shelter but awaits further correspondence relating to the location of a grit bin.
- 24/05-22. To confirm arrangements for Parish Council meeting in July**
Meeting to be held Wednesday 10 July 2024.

Meeting closed at 8:34pm
