TOLLER PORCORUM PARISH COUNCIL

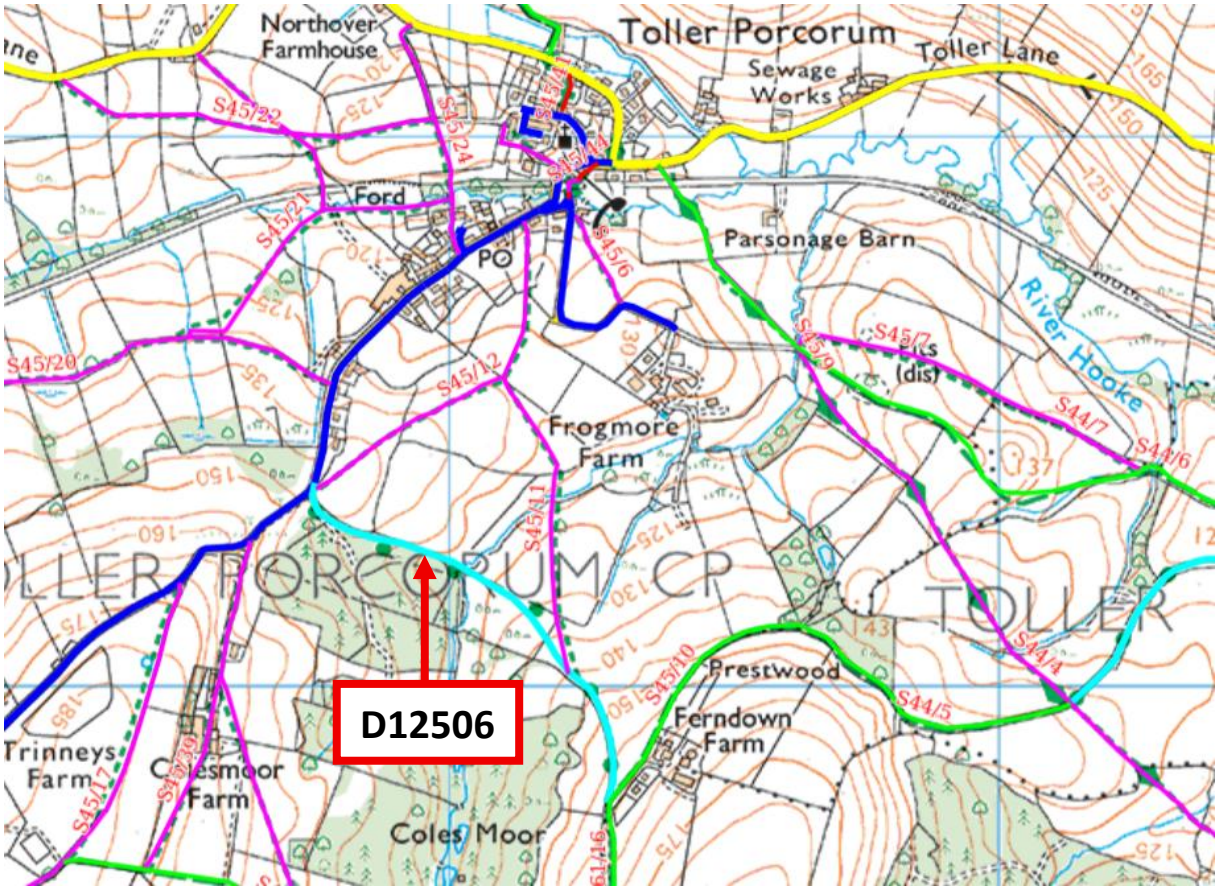

Full Parish Council Meeting | Wednesday 11 November 2026

Appendix M – Track between ROW S45/11 and S45/12

Minute ref: 26/11-14.i

Designated as adopted road: D12506 – UNNAMED

Map highlights adopted roads and Rights of Way. Track shows up as an adopted road in Dorset Explorer but while it has the designation of 'D' it is not a Road Class D highway like the High Street.

Ordnance Survey symbols of large green dots designate the route as 'other route with public access' with the explanation:

These are accessible by the public and either join the above rights of way together or suggest how rights of way can be accessed from nearby roads. Their exact nature and accessibility may be unclear so, prior to using one of these routes, you may want to contact the local highway authority to see if they can advise you on any restrictions.
